## company profile

Founded in 2021 in Mumbai, India, Attro is home to a range of home & kitchenware products.

We have diversified portfolio which includes product made of high quality copper, steel, aluminum, steel-copper, kansa, wood, 24 karat gold, plastic and many such indigenous material.

Attro clients are spread across India and globally. Our customers' needs and requirements are always at the forefront of our strategy, all products are made in India with high quality materials adhering to one of the highest standards, certified by major institutions domestically and internationally.

At Attro, we believe in client focus and quality that will help us be the leading provider of day-to-day kitchenware needs.
