ASSAM TEA

Could there be a better way to start the day? Sip on a rich, malty cup of Assam Leaf, fresh from India's sun-kissed tea estates, as you scan the headlines of your newspaper. It's sure to wake you up and prime you for a great day ahead.

MASALA CHAI

Our own recipe draws from kitchens across India, and combines black tea leaves with aromatic spices like cinnamon, cardamom, cloves, ginger and bay leaves. Creating a brew that is truly the heart of India.

TULSI RITUAL

This signature blend is inspired by India's hallowed traditions. Tulsi leaves, known for their curative power, come together with powerful green tea antioxidants to give you a powerhouse tea that detoxifies, builds immunity and vanquishes coughs and colds.

KASHMIRI KAWA

Luxury is a cup of molten gold tea. The richness of authentic Kashmiri dry fruit and spices infuse fine, organic green tea, to create an intensely flavoured, golden blend. One taste and you're transported to one of the most beautiful places on earth
